Cakes

Pirates Cove is happy to allow guests to bring in a cake for special occasions. We will provide a table, plates, forks etc. We can also provide Ice Cream in lieu of dessert when the host of a party is supplying a cake. No other food or beverage is allowed to be brought in except for cakes or similar dessert.

If a cake is to be delivered, please inform your coordinator of the date and time so we can receive the cake and handling instructions. The Cove has handled hundreds of cakes for our clients without mishap. The Cove will always do everything possible to ensure a beautiful cake for your event. However, if The Cove is to receive the cake (especially multi-tiered wedding cakes) during the absence of the Host, we can not be held responsible for damages. If you have an especially fragile cake please plan to be on hand during it's delivery to insure success.

Linens

The Cove supplies basic linens for all events including white tablecloths and burgundy napkins. If you need a specific color for your event, let your coordinator know and he/she can check with our linen company. Any other colored linens we rent will be added to the bill. If you wish, you can supply your own special linens. Please have them for us to set up with at least 24 hours in advance. Host supplied linens must be removed at the end of the event and we apologize, but we are unable to launder outside linens. Any outside linens supplied are sole responsibility of the host.

Flowers

Pirates Cove is happy to allow guests to bring in flowers for decorating the room and the tables. Please keep in mind that the servers will need space on the tables for the various courses of food so try to limit the size of the centerpieces so as not to interfere with the service of food and beverages. If flowers are to be delivered, please inform your coordinator of the date and time. The Cove is happy to assist in the set-up of flowers as necessary.

Decorations

The Cove takes great pride in the appearance of it's dining rooms. We also understand the desire to decorate and personalize the space for your specific function. The Cove allows small signs, balloons, banners and center pieces etc. We do not however allow confetti, "poppers", streamers or any decorations that end up on the floor requiring additional cleaning. We appreciate the need to celebrate, but keep in mind as a business we often have back to back parties scheduled and additional clean up / set-up time can cut into the next function. Since The Cove in most cases does not require a room rental fee, we may have to charge a cleaning fee for any excessive spillage, decoration removal or clean up.

Music / Entertainment / Video

The Cove has a satellite music system which provides basic background music in various genres for all of our events. We can provide basic music in a variety of styles but we can not control specific songs. If you have specific music necessary for your event, please plan on a way to provide it via portable stereo etc. If you are having a DJ or band please work with your coordinator on the details. Outside entertainment must be approved by the Cove and must be quiet enough so as not to be heard outside of the area being occupied for your event.

If you are planning on having a power point, video or other electronic displays, please plan on supplying all equipment necessary such as screens, projectors, TVs, extension cords etc.

The Cove does not supply any electronic equipment except for a podium and microphone that is available for business meetings and political events. The Cove is not responsible for any equipment, media or wiring brought in by a guest.

Furniture / Seating

The Cove has sufficient tables and chairs for any event that we book. We have also over the years and thousands of events have created an efficient lay-out for all of our dining rooms.

We are happy to accommodate special requests to alter the lay-out of our rooms for head tables and large group tables. Due to lack of storage space we can not, however remove the tables and chairs from the rooms for weddings or other ceremonies. Our furniture is mostly wood and can not be put outside without damaging or soiling it. If you wish to have seating outside you must rent folding chairs and plan on having them set-up and removed at your own expense.

The Cove assumes no liability for equipment rented by the host, and requires any rental furniture to be delivered, set-up and taken away by the host on the same day as the event. Unfortunately We do not have the facilities to store rented furniture or equipment.

If you have an event that requires complicated set-up like assigned seating diagrams, special table configurations, moving tables and chairs during the event or any alteration of basic set up. The Cove will charge a commensurate service fee to cover staffing and inconvenience.
